

Practical Info

Agenda

See updated agenda at <https://norwaylive.vatsim-scandinavia.org/>

Sleeping

You may sleep in a classroom at the venue or fix accommodation yourself this year the campus is full, nearest accommodation is [Torp Hotel \(Fokserød\)](#), [Clarion Hotel Atlantic \(Sandefjord\)](#) or camping sites nearby.

If you're sleeping at the venue: Krister Larsen will be the adult to supervise. Remember to bring yourself all sleeping items you need, such as a mattress, sleeping bag, pillow etc. The shower situation is unclear as of now, so plan accordingly.

VATSIM Event + Cross the Pond

This year we'll have two events!

- 12 hours of Norway Live 10-22 LT on Saturday
- 6 hours of Cross the Pond 12-18 LT on Saturday

A separate staffing will be posted. Everyone is of course welcome to control prior and post the event if they want to.

Pilot Flight Academy Events

Pilot Flight Academy will be hosting an open house on Saturday 12-18 LT for external people to also come and peek. SAS will have a stand as well in the same timespan.

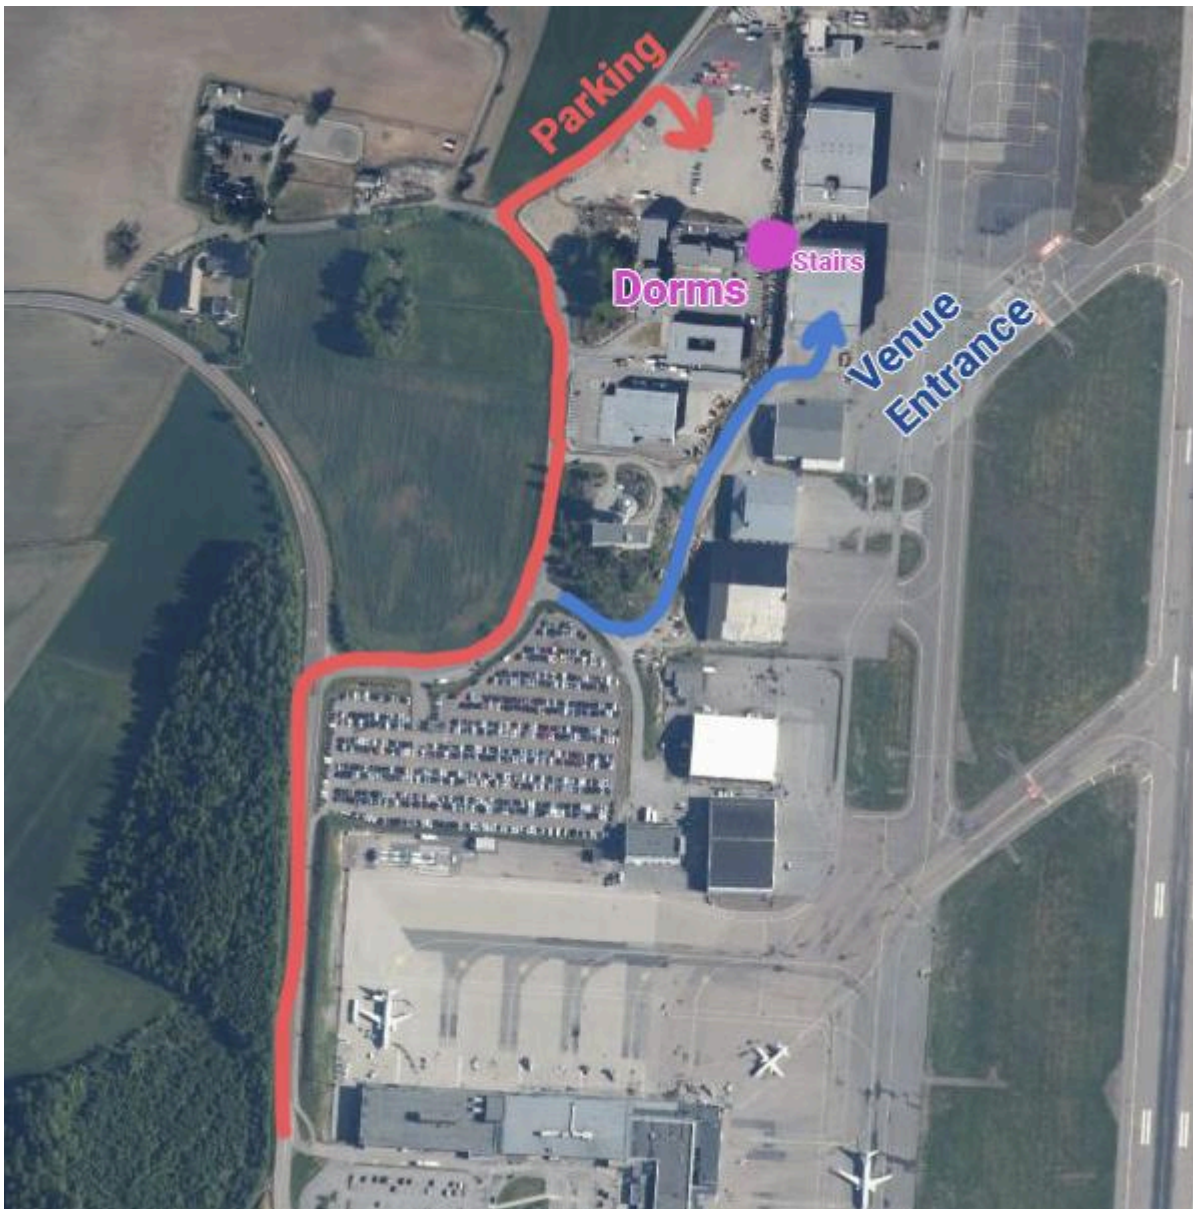

We'll also attempt to have a few PFA Tours and simulator events for contestants to enjoy, more information will be provided.

Identifying staff

Based on experiences last year, this year we make it easier to find staff. Staff will always wear a red lanyard with a red staff stripe on their ID-card. You will also find phone numbers to staff on the back of your card.

P Map and parking

The parking is free at the designated area of the map on the gravel area. No parking permit is required. It's alright to park outside the venue to load/unload your equipment. We've also outlined the stairs you can use for quicker access to the parking and venue.

Hydration

We'll be offering some sodas free of charge for our contestants to enjoy. The supply is limited, so please share with your other attendees.

There is a free coffee machine available for everyone. If you fancy more fancy coffee, there's a Starbucks coffee machine on the first floor for a charge. Warm water is also available.

We remind you that alcoholic beverages are prohibited to be consumed or brought into the venue.

Food

We've sent out an email and message about sign-up for pizza order for Saturday. Check it out if you want to join in. Otherwise, remember to purchase yourself enough food and drink for the whole duration of the event.

A snack machine with baguettes and similar are available at the venue. Otherwise there's multiple alternatives such as Fokserød (5 min drive) such as McDonalds, Obs and Shell.

Seating

You'll be provided with one desk (125x85cm) and a chair.

- You can expect one power socket, if you need more to e.g. power your monitor, you need to take with you a grounded extension cord.
- You may not connect other appliances than your computer and accessories to the power grid, this is due to capacity.
- If you're going to connect to the internet with wire, take with you an ethernet cable that's at least 10 m long as the switch might be far away from you.

This last picture is a bit distorted as it's taken with wide-lens, the measurements are correct. The seating arrangement might be different than pictured.
